Career and Leisure Services

Career and Leisure Services provides support in career development, competitive employment, volunteer opportunities, and recreation and leisure.

Career development support means we will:

- teach you job skills
- help you find work experiences in the community

Competitive employment support means we will:

- help you to get and keep a paid job in the community
- assist you at your job whenever you need it

Support in volunteer opportunities means we will:

- help you to volunteer at different places in the community
- assist you to learn new job skills while volunteering in the community

Recreation and leisure support means we will:

- assist you in finding interesting things to do
